HOW TO: Find an Adobe Connect Recording

102 Faye Buckley September 25, 2018 [Adobe Connect](#)

To find your Adobe Connect recording, please follow the steps below:

1. Open your web browser and navigate to the **Adobe Connect Enterprise Manager** (**https://connect.clemson.edu**).
2. Login using your Clemson username and password.
3. Click the **Meetings** link in the gray menu bar.
4. Then click the link for the **name** of your meeting space.
5. This will take take you to the **Meeting Information** page.
6. Click the **Recordings** tab for the selected meeting.
7. Enable the checkbox for the recording that will be shared.
8. Then click **Access Type, Public** and **Save**.
9. Next click the Name of the recording.
10. This will take you to the **Recording Information** page.
11. Click the **URL for Viewing** to share the link with others.
