ADOBE CREATIVE CLOUD IS AVAILABLE TO STUDENTS, FACULTY, AND STAFF

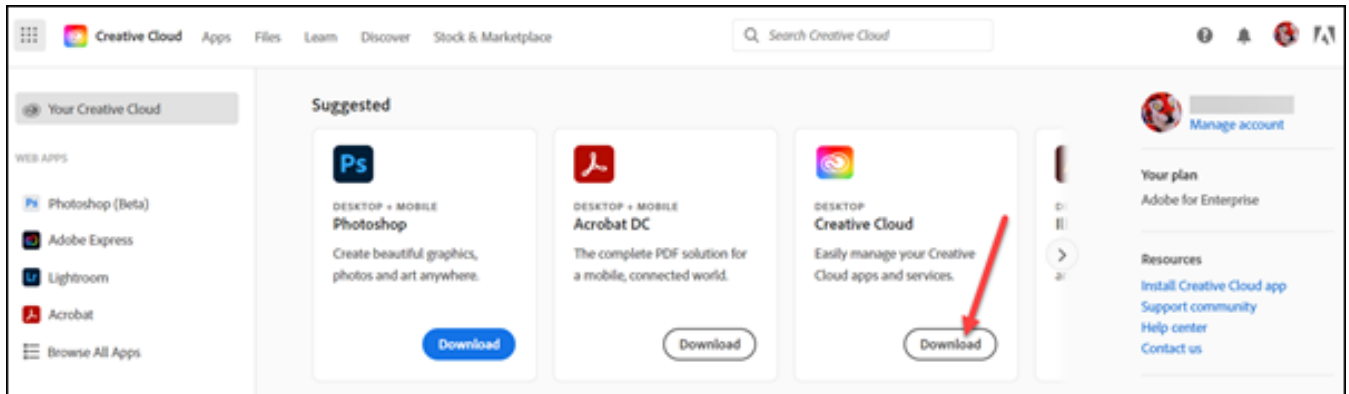

Adobe Creative Cloud is available to students, faculty and staff. Through a partnership with Adobe, Clemson is now licensed for the complete Adobe Creative Cloud – a suite of software that includes titles focused around photography, video, audio and design. The Creative Cloud includes access to the following software applications: Photoshop, Lightroom Classic , Illustrator, InDesign, Animate, Dreamweaver, Adobe Fonts, Premier Pro, After Effects, Audition, Acrobat DC and more.

HOW DO I SET UP/ ACCESS ADOBE CREATIVE CLOUD?

First, go to <https://www.adobe.com>. Click on the **Sign In** button in the upper right. Enter your **username@clemson.edu** as your Email address (no "g") and click **Continue**. If you happen to have previously set up an Adobe account using your [username@clemson.edu](#) you will get a choice of Personal Account or Company or School Account. Select **Company or School Account**. Then you will see this screen. To install Adobe Creative Cloud, click on **Open** under Creative Cloud.

Then under Creative Cloud click **Download**. This app will manage your Adobe files and apps.

MANAGING PERSONAL ACTIVATIONS

Your Creative Cloud subscription allows you to activate the software on up to two computers simultaneously. If you would like to use Creative Cloud on a third device, you will need to deactivate your previous devices. Detailed instructions for this process can be found in our knowledge base here: <https://ccit.clemson.edu/support/kb/?id=278>

COMPUTING LABS

The full Adobe suite is available in all standard CCIT labs.

WHERE CAN I GET ASSISTANCE ON HOW TO USE ADOBE CREATIVE CLOUD?

Adobe has an extensive website containing self-paced tutorials available at <https://helpx.adobe.com/creative-cloud/learn>. Additional resources for faculty are available at <http://edex.adobe.com>.

If you have more questions, email ITHELP@clemson.edu or call 864-656-3494.
