## **Installing SPSS Statistics with the Network License** (**Recommended Method**)

1786 Brady Bannister October 23, 2020 Installation Documentation

• This guide is for the installation of SPSS Statistics for students and employees, using the network license. Prior to reading this guide, please try downloading and installing via download.clemson.edu, as the installer on this website should already do most of the steps below for you. In the event that this does not work or you are using a base installer, continue.

Download and launch the SPSS Installation file
