## Changing Clutter Options

If you would like to change the Clutter setting in Outlook on the web, here are the instructions to do this:

<https://support.office.com/en-us/article/Turn-off-on-Clutter-in-Outlook-a9c72a77-1bc4-40e6-ba6d-103c1d1aba4c>

### NOTES:

- You can turn on Clutter anytime by selecting **Separate items identified as Clutter**.
- The Clutter folder remains in Outlook even after you turn off the feature.
