Is the use of Google Apps for Education required All incoming students will automatically receive a Google Apps for Education account. Clemson Faculty and Staff may elect to use Google Apps for Education by going to the [email forwarding](#) page and selecting the checkbox for "Use Google Apps for Education." It is up to the individual user to decide whether or not they would like to utilize the Google Apps for Education account or if they would rather forward the email sent to the Google Apps for Education account to an outside account.
