Yes. POP or IMAP Access is available. A list of available email clients and associated configuration settings is also available. When configuring POP or IMAP access, be sure to enter in your full Google Apps for Education email address as the user name. For example, a user name would be wildcat@g.clemson.edu instead of wildcat. For more information click here: <https://support.google.com/a/answer/12103?hl=en>
