Contact the CCIT Mobile Innovation Team at <http://mobile.sites.clemson.edu/feedback.html>. Use the "Guidebook Inquiries" option, fill in your name and email address, and complete a description detailing the purpose and need for your guide.

Note: the cost for a CU Events guide license is around \$1700/year. With this license comes a plethora of features that help enhance the content supporting your event. Native iOS and Android functionality, metrics and analytics, and promotional materials are some of the features that CU Events provides. For in-depth information on what CU Events (Guidebook) can provide for you, see this [page](#).
