PeopleSoft Finance Fluid UI

731 Michael Belanger April 24, 2019 [PeopleSoft FSCM](#)

Clemson University has upgraded our CUBS/PeopleSoft Financials system with the latest technology released by Oracle. When you log in, you will see the Clemson Homepage with tiles. Each of the tiles is interactive, making it easy for you to access and navigate the system.

The Quick Reference Guide linked below includes instructions based on accessing the system via a laptop or desktop computer. Accessing applications through a mobile device may change the layout of the tiles and pages.
