

Canvas: Change notification preferences

Article Number: 876 | Last Updated: Tue, Sep 24, 2019 at 9:51 AM

Enter additional email account

Â

1. Log in to Canvas. Â

2. Click on **Account**.

3. Click on **Settings**.

4. On right side of page, click on **+Email Address** (should have Clemson email address listed by default).

5. Enter **email address**.

6. Click on **Register Email**.

7. Click **OK Thanks** on the next screen that displays: **We emailed a confirmation link to ... Click the link in that email to finish registering. Make sure to check your spam box in case it got filtered.**

8. Go to email account and finish registering.

Â

Change Notification Settings so Notifications are sent to new email

Â

1. Click on **Account**.

2. Click on **Notifications**.

3. Select the **Notification Preferences for the course activity in the columns under the email address on the right by clicking on the appropriate icon**. If you have more questions, email

ITHELP@clemson.edu or call 864-656-3494.
